RE: Confirmation of BCI Membership

To Whom It May Concern,

The Better Cotton Initiative (BCI) is multi-stakeholder initiative that exists to make global cotton production better for the people who produce it, better for the environment it grows in and better for the sector's future. To achieve this mission BCI works with multiple stakeholders throughout the cotton supply chain.

BCI is not a certification scheme, hence we do not issue any certificates for our members. Nonetheless I can confirm that the companies listed below are in fact members of BCI until the current validity period ends, at which point they may or may not renew.

Member	BCI Number	Membership Start date	Current validity period end date
ERSA TEKSTİL KUMASCILIK VE LOJİSTİK SAN. TİC. LTD. STİ.	1020754	February 1, 2022	January 31, 2023

In addition to Membership, **ERSA TEKSTİL KUMASCILIK VE LOJİSTİK SAN. TİC. LTD. STİ.** is authorised to use the BCI logo on the packaging of any majority cotton product, alongside the claim '*The Better Cotton Initiative works to improve cotton farming practices*' or '*We partner with the Better Cotton Initiative to improve cotton farming globally.*'

Please do not hesitate to contact me if you have any questions about this.

Yours faithfully,
